“ Ah yes my JoJo ! Jodi was such a free Spirit, she was full of life humor and so much love for everything. If you knew Jodi you knew you had a friend for life, not only is she my cousin but everyone said we were twins, I believe we came from the same pod! I can not say enough nice things about Jodi, just she was such a giving, person full of live and laughter. I know exactly how much she loved her children as well as her grandbabies and always showed them just how much she loved them. I am deeply going to miss her smiling face and awesome sense of humor. I have to say this is one girl who lived life to its fullest. I love you and I am going to remember you until our spirits reunite ! I miss you so much already, I know time will heal but when I look in the mirror I see you and I just smile cuz I know you would too.i love you my sweet cousin.
