“ Rest in peace my cousin. You are a great son to your mom and dad. You were there for your dad and you've always been there for your mom all these years. I'm very proud to say you're my cousin. One of my earliest memories was when you and your mom came down to our house in fridley. You and I played in messed around and the next day you went to the hospital to have your heart operation. We were too young to even know what was going on. You are a very strong person with a very big heart. I sure wish I would have took the time to come and visit you more. With love for you and your family. Your cousin Joel Larson
